Cora A. Cummings.
Maynard Cummings.

Alonzo French.

Harper's Geography has been introduced in the schools, and furnished the districts for the use of teachers.

In districts Nos. three, four and seven, good school buildings have been erected.

The schools generally have been pleasant and profitable, showing an earnest desire on the part of the teachers to give, and the pupils to receive, instruction.

The foregoing is respectfully submitted to my fellow citizens.

DAVID A. FRENCH.

Supt., School Committee.
